

Physical Development

We will be using lots of different equipment to help us build control and strength with small and large movements.

We will begin our PE sessions and spend lots of time outside to develop our awareness of space and how we can move around safely.

Understanding the World

We will begin our Outdoor Education sessions where we will experience different environments.

We will explore the changes that autumn and winter bring and observe the many plants and animals in our environment.

Expressive Arts and Design

We will explore a range of different art and craft materials to represent our learning.

Communication and Language

We will be learning lots of new stories, rhymes and songs including: 5 Currant Buns, 5 Little Speckled Frogs, 1 2 3 4 5 Once I Caught a Fish Alive , 5 Fat Sausages , 5 Little Speckled Frogs and 5 Little Ducks.

We will take part in lots of speaking and listening games and we will practise following simple instructions.

Nursery Curriculum Map Autumn 1

Personal, Social and Emotional Development

We are focusing on settling into our new routine at Nursery. We are getting to know our teachers and each other and we are developing the confidence to ask for help if we need it.

As we gain confidence, we will talk to each other when playing and will begin to talk about our families and home life as well as our community.

Maths

We will recognise and name colours in a variety of contexts then explore and match objects which are the same.

After, we will sort objects to enable us to consider what is the same about all the objects in one set and how they are different to the other sets.

We will then compare and order by size using specific language.

Finally, we will copy, continue and create patterns.

Literacy

We will be making lots of marks and telling our adults what they mean. We will enjoy a range of stories, rhymes and songs and try to remember parts of them.
